## At Our Foundation...*Brand Heritage*

In the heart of London on New Bond Street in 1744, an exceptional Auction House was born with a revered tradition of marketing the world's most cherished possessions. A tradition, more than two centuries old, that provides authentic knowledge comparable to none. As the oldest company listed on the New York Stock Exchange (NYSE), Sotheby's has a global network of 90 offices in 40 countries.

Today, Sotheby's presents auctions in eight different salesrooms including New York, London, Hong Kong and Paris. Sotheby's offers collectors the resources of Sotheby's Financial Services, the world's only full service art financing company, as well as private sale opportunities in more than 70 categories, including SI2, the gallery arm of Sotheby's Contemporary Art department, and two retail businesses, Sotheby's Diamonds and Sotheby's Wine.

Today, we are a commanding presence in the representation of the world's most unique properties. The Sotheby's International Realty® brand artfully unites extraordinary homes with extraordinary lives throughout the world.

Our commitment to unparalleled quality has been in place since the inception of the brand over 200 years ago.
